## ATHS Honors Area Parents

Mr. A. L. Dittman, Superintendent of the Antioch Township High School, in accordance with American Educational week, held luncheon meetings with several students' parents throughout last week.

Thursday's discussion, for instance, took in many questions reaching far out into educational scopes. Supt. Dittman, when questioned by one of the parents, explained that the lunch that was served (mashed potatoes, meat loaf, roll and butter, coffee and dessert) was the standard grade A lunch the students received for 35c. Alternately, he explained, hamburgers and milk shakes were available.

The new addition's lunch room will capacitate a larger group of youngsters, it was reported.

A parent asked if the long hours of study was necessary for Antioch's students. Mrs. Gladys Brooks, Dean of Girls, explained that, naturally enough, each teacher expected his subject to receive at least an hour's study per evening.

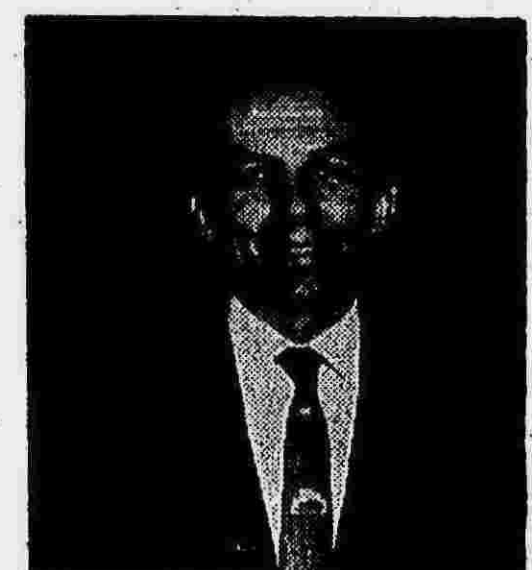

The feasibility of having a late-hour activity bus to transport youngsters home late at night was also discussed. Mr. Dittman, whose luncheon program proved informative and helpful, explained that this was one of the projects now before the board and still under consideration.

## Salem High Holds Clothing Drive

FHA students of Salem Central High School will conduct a clothing drive to aid needy children and adults in the United States and overseas. This clothing drive, called WORLD CLOTHING WEEK, will continue through next Friday, and is part of a nation-wide campaign sponsored by World Clothing Fund, Inc., a non-sectarian charitable organization assisting orphans and other children and adults. All types of clothing are needed: clothing for babies, children, teenagers, and adults, shoes, caps, mittens and bedding.

Salem Central High School urges you to look into your closets—find some old clothing—and bring it to Salem Central High School during WORLD CLOTHING WEEK. If you need assistance in getting your bundle to the high school, call, and someone will be glad to pick it up. Mr. Allen Erickson, principal at Salem Central, announced that last year the clothing drive was almost an unbelievable success, and it is hoped that the school will continue to make it so.

He is president of the Holy Name Society at the Prince of Peace Catholic Church, President of the Antioch Township High School P.T.A., and Leader Adviser of Boy Scout Troop 91.

Mr. and Mrs. Hellstern and their four children Ronald 15, Douglas, 13, Donald 10, and Rosina, 9, reside near Antioch.

## Peace Corps Jobs Open at P. Office

Postmaster Roy Kufalk announced today that the entrance test for the Peace Corps will be given on Tuesday and Wednesday, Nov. 28 and 29, 1961.

Within a few days information showing the place and time for the examination in your area will be posted on the bulletin board of the local postoffice, including stations and branches.

BEGINNING TO TAKE SHAPE is the new \$100,000 Antioch Post Office building located at Orchard and Broadway. The project, begun Sept. 18, is being built by the Pickus Construction Company.

## Lake Villa Village Board Passes Road Tonage Limit

By Mrs. Fred Bartlett

The Lake Villa Village Board met Monday, Nov. 6, at the Village Hall. The board approved use of the Village Hall by the Village Post Office to sort Christmas mail from Dec. 17 to Dec. 28.

An ordinance setting load limits on some of the Village's streets was passed. Streets maintained by State Motor Fuel tax allows an 8-ton limit. The Village, desiring a 5-ton limit, made Park Avenue a truck route.

Letters, which had been sent out by the board urging water users to remit on their water bills or suffer having their water turned off, netted \$700.

Next the board gave its permission to allow the German American Home on Grand Avenue to sell beer at their annual picnic, July 4th and Labor Day. Permission was not granted to the Motorcycle Club to race at Cedar Lake this winter.

Road patching on Ray Avenue, Oak Knoll Drive, Villa Avenue, Sherwood Avenue, McKinley Avenue, North Shore Drive, Cedar Lake Road and Burnette Avenue at a cost of \$900 was approved by the board.

Trustee Paul Williamson asked for the board's decision about making acting Chief of Police Paul Bocox a full time official in that position. After some discussion, the board appointed Bocox, who has served as acting chief for 3 months, as full time chief.

Next John Valvanis of Waukegan, who had purchased 12 acres on Grand Ave. and Deep Lake Road, requested a tavern and business zoning of that area from the board. The board referred him to the zoning board, and at the suggestion of that board, will either approve or disapprove of the action. Mr. and Mrs. William Haerter were present at the board meeting in opposition to the zoning. The property was formerly owned by Kathryn Reynolds.

## Inland Given Contract For Sewer Installment

### Local Car Crashes Cause Damage

Chief of Antioch's police Walter Scott reported that two local persons were involved in car accidents over the week.

George A. Hogan, 17, of Antioch was reported to have broken off a telephone pole at 1031 Main Street, 6 p.m. Monday, Nov. 13.

Donald R. Hendricksen, 44, of Lake Villa, struck a tree on Victoria street at 8:15 a.m. the same day, it was also reported. The cause for Hendricksen's accident was attributed to locked brakes.

### Christmas Seal Appeal Opened

The traditional annual Christmas Seal Campaign opened November 13 with the mailing of Christmas Seals to Lake County residents. Approximately 72,000 letters were mailed to residents of Lake County, according to Dr. Anna E. Barnstable, Christmas Seal chairman.

"Over nine million lives have been saved since the first Christmas Seal was sold, but the saving of lives is not enough," declared Charles J. Cermak, Jr., of Antioch, board member. "We must see to it that every family is spared the suffering and tragedy of this long-term chronic illness."

The Christmas Seal Campaign provides funds for the tuberculosis control programs of free chest x-ray for adults and positive reactors, tuberculin skin tests, health education, and research. Last year there were 37,736 chest x-rays taken on the Mobile X-ray Unit, 12,573 people received tuberculin tests, and health material was distributed throughout the county. No charge was made for those services and programs; they were paid for by the generous people of Lake County through their purchase of Christmas Seals.

### Businessmen's Committee Reports Street Decision

The Antioch Village Board, meeting Wednesday night, Nov. 8, awarded a contract to the Inland Lakes Construction Co. of Grayslake to extend sewer and water mains in Antioch's industrial park, Sequoit Acres.

Inland's bid of \$8,807.56 was selected from among several bids for the contract.

A committee made up from the board convened privately, discussed the several proposed bids and chose Inland as the company corresponding to the costs involved. President M. Cunningham, along with the rest of the board, requested that construction begin immediately. Michael Reimers, owner of Inland promised that he would do so.

Since then, construction has begun in the designated area.

**Businessmen's Committee**

**Proposes Road Action**  
Robert Taylor, a representative of the businessmen's committee formed by President Cunningham to acquire the right-of-way from Antioch property owners for an additional street downtown, reported the actions of the committee.

Taylor brought along a map which described the proposed area east of Main Street, opening at Park Avenue and running through to Depot Street. He then stated that the committee hoped to acquire 150 feet of the road clearance, 60 ft.

### Edward Slavik Takes Honors

Edward J. Slavik, Jr.

Edward J. Slavik, Jr., of Lake Villa, the son of Mr. and Mrs. Edward J. Slavik, Sr., has been named a recipient of a special University of Illinois scholarship. The scholarship is one of 16 financed by the Dads and Mothers Association of the university.

Slavik, who was graduated from Grayslake High School in 1960, is an Illinois sophomore studying mechanical engineering.

As a freshman he won College Honors for his scholarship. He is a member of the student chapter of American Society of Mechanical Engineers. He lives in Garner Hall, U. of I. residence.

## New Officers Selected By Lions Club Monday

The Antioch Lions Club meeting Monday evening, Nov. 13, at Paty's Lounge on Rte. 173, held a dinner meeting with about 60 members present.

Jack Fields, president of the Lions, called the meeting to order and introduced the evening's speaker, Ralph Zyke of Fuller & Smith & Ross, Inc., a Chicago advertising firm.

Zyke, who is vice-president of the agency in Chicago, spoke on creative advertising, using several humorous analogies to illustrate his viewpoints. Following his speech, a short question-answer period was allowed for.

Preceding the speaker, an introduction of guests, a reading of the minutes of the previous meeting and the treasurer's report was given.

A slate of new officers was then read off by Norm Jedele. The officers are: Dr. Al Bucar, president; Preston Reckers, Jr., 1st vice president; Ralph Greens, 2nd vice president; Leonard Roblin, 3rd vice president. Also selected were Marv Heath, secretary; Dick Radtke, treasurer; Bill Seemann, lion tamer, and Bill Vos, tall twister. Present directors holding 2-year terms are Maurice Loven and Clarence Shaw.

### AHS Board Scans Special Ed. Dist.

A discussion centering about joining the Special Education District of Lake County was held by the Antioch Township High School Board Wednesday, Nov. 15.

The board also reviewed the work done on the new additions to the high school, along with examining tile color selections for the cafeteria. A report of the salary program committee was heard.

It was also reported that open bids have been requested on the library furniture. The bids are expected this coming Monday.

CHAMBER OF COMMERCE members, John Dupre, Preston Reckers, Jr., Harold Nelson and President Stanley Toton, busy themselves with redecorating colorful candy canes to adorn the streets of Antioch for Christmas. The Chamber will have Santa Claus on the corner of Main and Lake. The DX station will be decorated for the occasion.

for the street, and 90 for diagonal parking.

Committeeman Taylor then asked the board to pass an ordinance which would not permit the building of business establishments closer than 60 ft. to the edge of the clearway.

President Cunningham said that the board would review this proposal. Cunningham asked that the businessmen help defray the expense of installing the road. In reply, Taylor said he felt sure that several businessmen would volunteer financial aid.

The board then stated that the engineering and legal costs necessary to initiate the project be included in the board's share of the cost.

Dave Miller, village engineer, has since staked off the proposed area, drawing up a new map which indicates that the road will run straight instead of leaving a jog which appeared in the original map.

**Property Owner Inquires Into Personal Expense**

John Dupre of Antioch appeared before the board, asking whether a bill received for \$331 based upon his property's use of a sewer line was correct.

Cunningham and the village attorney, Edward Jacobs, explained that the bill was pro-rated according to the total frontage of property confronting the sewer line. The pro-rated cost is \$138 per foot.

However, it was decided that a re-calculation of the lot's exact area, used as an improvement frontage where the Coral apartments are located, would be extended.

**P. O. Box Location Discussed**

Cunningham then went on to state that he was in receipt of a letter from the Antioch Post Office which requested that the drive-in mailbox on its present site remain in its old position after the new building was completed.

The board stated that it would have its Police and Street departments discuss the matter, but some strong opinion was registered against the request due to the present heavy traffic congestion along Lake Street.

Before the meeting was adjourned at 9:45 p.m., the board decided to hold a special meeting November 21.

## Car Collision Injures Three

An automobile accident involving Jesse Waggoner, 39, of Rockford, and Daniel Bergeron, 23, of Chicago took place Monday at 10:49 a.m. on Rte. 173 west of Rte. 59.

The sheriff's office reported that Waggoner was going east on 173 and Bergeron west. Bergeron pulled out of his lane to pass a westbound gravel truck, saw Waggoner coming toward him and headed for the south shoulder of the road. Unfortunately, Waggoner headed for the same spot and collision resulted.

Considerable damage was done to each car. Waggoner, his 4-year-old daughter and wife were taken to the Great Lakes Naval Hospital where they were treated for severe injuries.

## Red Cross Heads Review Projects

An informal Red Cross meeting was held Tuesday evening, Nov. 14, in the recreation room of the Firehouse.

Present at the meeting was John L. Horan, Director of Antioch Civil Defense and his wife; Stanley Toton, president of the Chamber of Commerce; Daniel Dugenske, member of the Rescue Squad and Red Cross First Aid Instructor for the area; Miss Charlie Vosberg, Red Cross Director of Lake County; Colonel Alfred A. Pursall, retired post commander of Fort Sheridan and C. R. Post, Chief Journalist of Great Lakes.

Miss Vosberg stressed the importance of having first aid taught in High School and briefly outlined the Red Cross activities in the area. Projected plans to combat any disaster arising in the area, were reviewed.

## A CHRISTMAS PARKING PROPOSAL

Critics of President Cunningham's proposed thoroughfare east of Main Street, running from Park Avenue to Depot Street, have been heard to say that this proposition is leveled for selfish motives. Some have stated that the road will only aid Cunningham's so-called "personal subdivision." Others have privately accused him of attempting to gather feathers for his own hat.

It is our opinion that neither accusation is true or justified in any way.

President Cunningham, now having a large bulk of business men's support, and genuinely feeling that this project will be a benefit to the entire town, has taken on the added burden of helping to plan, discuss and lead in this joint effort toward civic improvement.

This sort of civic leadership, we feel, is typical of Cunningham, who has made such giant strides toward building our local industry, maintaining our streets, and running an efficient and effective Village Board.

Naturally enough, there will be many problems going hand in hand with the new road project. Perhaps stern measures in acquiring property may be involved, and it will be Cunningham's responsibility to invoke these measures. This probable action is bound to cause pockets of unrest and frustration. It may even lead to a lengthy period of time before completion of the road can be expected.

However, we feel, that the actions taken of our president in "getting the job done," are necessary and receive our whole-hearted support and endorsement.

But let us look at the question squarely. How long of a time will we have to wait before we can expect to see this civic improvement finished for public use? Next Spring? Next summer? Actually, it depends upon the cooperation and consent of those property holders involved in having land necessary for the road's use. This may take time.

Perhaps it would be good for us to think of a secondary aid to our parking problem while the main project continues.

It is our suggestion that the not-too-large but available parking area to the west side of town on Broadway be blacktopped for the added convenience of our shoppers. As it stands now, the area is pitted with holes and ruts and as President Cunningham himself has pointed out, women fear walking over it lest their heels break.

Of course, this would take time and money also but not nearly as much money or not nearly as much time. In fact, the parking area, if blacktopped in the immediate future could be ready to handle a good deal of our Christmas Shopping problem.

We feel that this improvement would not detract from Cunningham's main project, but add incentive to it and give our community a broader scope of activity in meeting the present parking problem.

An exciting program of hope in the area of mental health was one of the crowning achievements of last spring's legislative session. The overwhelming support by the people of Illinois and their representatives has been truly edifying.

The seeds of hope for this program were sown with a 100 million dollar bond issue placed before the voters last November. This hope was nurtured by the people who showed, at the polls, that they cared in great measure what happened to those suffering from mental illness in our institutions.

Since that time a new and comprehensive statewide plan for the mentally ill and retarded has been developed. It promises a rich harvest of progress in this vitally important field.

Legislation introduced during the regular session initiated this reorganization. House Bills 951 through 975 received bipartisan support and resulted in the creation of the Department of Mental Health with a separate Division of Children's Services. Heading the new Department is Dr. Francis J. Gerty, past president of the American Psychiatric Association and a psychiatrist of national status.

Although reorganization is now underway, our major challenge is, and will continue to be, the securing of highly qualified staff members for better patient care. The Mental

Health budget this biennium is more than 218 million dollars, the largest in the history of the state, yet not as much as I would prefer.

While this will enable us to add about 1,400 new employees—sorely needed psychiatrists, psychologists, social workers and nurses, it is not enough. More money will be needed for additional personnel if Illinois is to rank as a leading state in the quality of care we give our patients. We cannot, in all good conscience, afford to do less.

The bond issue monies have permitted the allocation of 89 million dollars for modernization and permanent improvements of our existing institutions, plus 11 million dollars for the construction of a hospital for the mentally retarded in Centralia. The Legislature also approved 4 million dollars for another institution at Harrisburg to serve the needs of the citizens of Southern Illinois.

All of this represents important progress and ushers in a new era of hope—an era that you have helped create—an era that should see Illinois make great strides in the field of mental health.

Next week, I will describe another program of progress in mental health—the planned community-centered mental health clinics—one of the most dramatic developments in this field today.

## The American Experience

By Ray Puechner

Why study history? Of what use is it?

The great Greek historian Thucydides definitely thought that history had a usefulness, for he believed that history repeats itself in a fashion. He reasoned thus: "... since the nature of the human mind does not change any more than the nature of the human body, circumstances swayed by human nature are bound to repeat themselves, and in the same situation men are bound to act in the same way unless it is shown to them that such a course in other days ended disastrously."

Herodotus, the Father of History, says that he wrote his "Persian Wars" "... in the hope of preserving from decay the remembrance of what men have done, and of preventing the great and wonderful actions of the Greeks and the Barbarians from losing their due meed of glory."

Plutarch wrote his "Lives" in the hope that men would benefit from reading them by being inspired to lead better lives. Thus, he is particularly fond of drawing morals from the lives of the men of whom he writes.

We may find, if we pursue this train of investigation, that men wrote history for a multitude of reasons and we still may not know the use of history.

Instead, let us approach the problem in this manner: let us hypothetically discard all history and see if it would be missed, see if we really need it. If history, which is in its broadest sense the story of the past, were discarded, we should be in the same situation that primitive man was. We should have to start just where he started and each generation, each person in fact, would have to learn from his own experience and rediscover all that had gone before. Without history then we would be unable to progress. This then is the first use of history.

As Arnold Toynbee writes, history is the "precious light of experience" which has always been man's guide and which man can "project upon the darkness of the future." This experience gives us hints as to our proposed manner of action, not set solutions. It sheds light upon the problems of today. It gives perspectives on the crisis of our own society. Thus a second use of history is to enable us to understand our own age and the past in a new light. The analogies between past and present give us new insights and new ideas.

We can say then that the uses of history are, in general, the following:

1. Without the story of the past, man's progress would be stifled. It tells us what has been done already and thus we have no need for repetition, only improvement or invention and discovery.

2. History can give us new insights and understandings which will enable us to better understand

Have you ever wondered how a columnist goes about writing his or her column? Well, you start by taking typewriter in hand, sheaves of paper nearby, and then sadly while staring into space you wait for an idea to develop. Admit now, you thought (as I did before I became one) that all columnists were just bulging with wonderful, witty ideas. Believe me, this columnist may be bulging, but it's more likely to be physically, than mentally.

While we're on the subject of bulging waistlines, have you noticed the pre-holidays mad diet race. Seems as though everyone wants to lose 15 pounds more or less, so that when the time comes they can eat all those extra Holiday goodies.

Bill Anderson (Public Service Co.'s "Big Bill") seems to be leading the pack of weight watchers. Stick to it, Bill.

Gladys Schroeder is running a good first in the women's division. Let's hear from some other sufferers in the Battle of the Bulge.

Heard the Jo-Pats had an anniversary, but don't know if it was the Seniors, Juniors, or sausages. Help, Somebody!

Could it be we have a rapidly growing business tycoon in our community? His most recent property acquisition was, I understand, one of the oldest businesses in town.

If you've got an extra half-hour or two stop in and ask "Red" Murrie about the deep-down plans he and a local attorney have for that vacant corner at Lake and Main.

Applause and more applause to a well cast, excellently directed and superbly played "Arsenic and Old Lace," given by the H. S. Juniors last week-end. Had the distinct feeling that no one could have played any part other than their own; and that's good casting! !!!

Just wondering what our Antioch News B. M. (that's short for business manager, but don't tell him, he thinks it's Boss Man) is doing with the new deep-freeze. Unless it's to keep the top secret stories on ice like MY NAME? ???

Remember now, there's a big difference in holding your chin up and sticking your neck out!

Well, maybe we'll meet somewhere, someday,

ourselves and our neighbors. It gives us a guide, though by no means a positive set law, which can aid us in our actions.

Of course, a myriad of secondary or derivative uses of history might be listed, but here we find sufficient reason for the study of our common heritage.

## Letters to The Editor

November 9, 1961

DEAR EDITOR:

I believe it was the issue of your paper after Halloween, that your paper ran an article on the front page commenting on the fact that the children of today were a heartless bunch. It also said if they didn't receive a treat, they would meekly turn away and go away without a trick. It bragged about the good old days when kids took apart the wagon and put it on a roof, or put an outhouse on Main St. Some fun!

Evidently no one went out north on North Ave. and saw the mailboxes knocked down and letters strewn all over the road. (Ask the people and the post office).

And now we come to this week's editorial complaining of a broken window at the Antioch News. I think if the editorial would not have made a challenge to some kids, the Antioch News would not have had to write an editorial about a broken window. To me this was an aftermath of the article on the good old days of Halloween.

Sincerely yours, Frank Zoman  
Rt. 4, Box 285, Antioch

Dear Howard Shepard (Business Manager):  
I should charge you for Annie Mae's column. I find myself getting unwelcome credit for her work from numerous quarters, and all my protestations seem to have little effect. Much as I might admire Annie Mae if I knew who she was, I see little resemblance to myself in her thoughts or writing, and I feel a little like someone whose friends pick someone else out of a group picture and say, "My that's a nice picture of you!"

And, incidentally, if you're interested in the reaction of the portion of the public I've met, I'd say it's been very good for your paper—it's got everybody guessing and watching to see who will be mentioned next week.

## Election Calendar Published for '62

Secretary of State Charles F. Carpenter today announced the publication of the Primary and Election Calendar for 1962.

A unique feature of the booklet this year is inclusion of requirements for nominating petitions for candidates for Congress at large. This was done because of the possibility the current special session of the General Assembly may not reach agreement on congressional reapportionment, which would result in all congressional candidates running at large.

An additional note states that should agreement be reached on reapportionment, a supplement to the booklet will be issued listing the nominating petition requirements for each of the new districts.

Other information in the booklet includes the dates of the primary and general election for national, state, county and school officials, the offices to be filled, dates for filing petitions, obtaining and submitting absentee ballots and various other dates affecting the elections of 1962.

## Local Cadet Assigned To Ship Near Briton

Cadet Elmer E. Eberman, son of Mr. and Mrs. Elmer Eberman of Channel Lake, was recently assigned to the S. S. Margaret Brown, a modern cargo vessel operated by Bloomfield Steamship Company, and engaged in the United Kingdom trade, as part of his second year of training at the United States Merchant Marine Academy, King's Point, New York.

His year at sea is a regular part of the four year course offered at the Academy to train qualified officers for the ships of our Merchant Marine. This year of sea duty is unique for it not only gives the cadet an opportunity to gain a first-hand knowledge of the ships which he will later command, but also enrolls the cadet as an ambassador of good will in ports of call throughout the world.

While assigned to this vessel he will visit London, Liverpool, Dublin, Manchester, and Glasgow.

Upon return to the Academy next fall, he will pursue a rigorous academic schedule encompassing such subjects as International Law, Maritime Law, World History,

Naval Architecture, Marine Transportation, Naval Science, and Physics, as well as the extensive military training necessary for a successful career at sea.

Upon graduation in July of 1964, Cadet Eberman will be licensed by the United States Coast Guard as a Third Officer in the Merchant Marine, receives a Bachelor of Science Degree, and be commissioned an Ensign in the United States Naval Reserve.

GIRL SCOUTS

The new Brownie Troop 144 which meets at St. Peter's School in Antioch, has 22 members now. Their leader is Mrs. Anton Stanich and co-leader is Mrs. Sam Guard.

On Nov. 1, they went on a field trip to Burlington, Wis., to tour the Franciscan Fathers Monastery. They were taken on a complete tour of the church and grounds. The girls furnished their own nosebag lunch and were given milk and the leaders, coffee.

They left at 10 a.m. and returned at 2:30 p.m. Mrs. Edward Abderhalden was kind enough to help with the transportation and supervision. Their investiture is being planned for Nov. 26.

The Girl Scout Friendship Fair is all set for Nov. 18, at Antioch grade school, 3:30-5:00 p.m., which is a change of time due to the rule that Brownies are not permitted to participate in evening activities. Each troop will be represented with their Troop Flag and will participate in the Juliet Lowe World Friendship Fund.

On Nov. 9, the New Intermediate Troop of Lindenhurst held a short but heartfelt investiture. After repeating their promise in unity 13 girls were pinned and one girl was welcomed as a new member to the troop on transfer from a Waukegan troop by their leader, Mrs. Everett Standiford and co-leader Mrs. Howard Klister. Mrs. Standiford then welcomed her committee, Mrs. Milo Pontergo and Mrs. Lewis Hareg. Following the meeting those attending enjoyed refreshments.

Brownie Troop 100 from St. Peter's Church in Antioch is one year old. They celebrated on Oct. 30, with a party at which time their leader, Mrs. Bernard Dost, and her co-leader, Mrs. Henry Apostol, presented 9 girls with a Star pin which represents 1 year of Scouting.

They invited Brownie Troop 144 and their leaders and the mothers of Troop 100 to attend. This brings the number of girls in the troop to 20. Refreshments were furnished by the mothers and served by the committee, Mrs. Melvin Johnson and Mrs. Richard Daniel.

Investiture and Fly-up ceremony is to be held at St. Peter's Church and hall on Nov. 26, 3:30 to 5 p.m. A number of troops will participate in this ceremony.

A combined investiture ceremony of Brownie Troops 157 and 210 of Grass Lake was held Nov. 8, Mrs. T. J. Wilson is the leader of Troop 157 and Mrs. Robert LaFarr is leader of Troop 210.

The ceremony was opened with presentation of Colors and the Brownies portrayed the Brownie Story and repeated their promise to their leader, at which time Mrs. Wilson and Mrs. Zale, Girl Scout Troop 111 presented 11 girls with

their pins. Eight of these were from Troop 157 and three girls were from Troop 210.

Mrs. Wilson's committee is Mrs. Betty Steiskal and Mrs. Cora Schoenbeck. Refreshments were served the mothers who attended.

### TROOP 55 MEETING

by Frank Kohn

We opened the meeting at seven o'clock at the Scout House with opening ceremonies. Each patrol gave the minutes of their meetings, and sang the songs and yells.

When Mr. Jesse came we had the yearly inspection. After inspection we had callisthenics and had boxing matches. We sang a song and closed the meeting with ceremonies at nine o'clock.

## Lindenhurst News

By Mrs. Bernice Bernau

Nominations of officers took place at the Woman's Club meeting Thursday evening. Nominated for president were Mrs. Paul Ireland and Mrs. Raymond Verdict. For vice-president, Mrs. Harold Bokup and Mrs. Warren Frontzak. Secretary, Mrs. William Gutzak. Treasurer, Mrs. Floyd Stanley and Mrs. Harold Buerster.

Executive board, Mesdames Dorothy Thompson, Millie Caldwell, Nancy Kleffner, Jenny Volpentesta and Letha LeChance, two to be elected. Election will be held at the December 14 meeting.

A pot luck supper for members and their husbands will also be part of the December meeting.

Danceteria Studios of Route 21 in Lake Villa presented a very enjoyable program for the Mothers and Daughters Night meeting.

The little acrobats were Bonnie McAdams, Diane Jensen, Linda Galvin, Fatty Shastal and Nancy Larson. Doing the hula was Charlene Harris. Patricia Dibble twirled her baton; Susan Paulson did a fine can-can; Terry King, a tap dancer; Kathy Hollison and Patty Frank did a modern dance number; Carol Breyer did a tap number; Chris Fournier an acrobat number and Cheryl Franke and Phillip King an adagio. All the older girls plus Betty Sue Durand, Linda Mae Monaghan, Nancy Raides and Jean Barrett danced in the chorus. The program was thoroughly enjoyed by all who attended.

Bernice and Robert Poulsen are the teachers.

## Follicem's Ball

Don't forget the dance at the Lindenhurst Civic Center Saturday night for the benefit of the Lindenhurst Police Association. Frank Cuden's Foursome will be playing the toe-tlingling numbers. If the boys in blue haven't been able to reach you, admission is payable at the door.

## Bazaar

The Altar and Rosary Society's Christmas bazaar is only one week away, November 25 and 26. Your handmade articles should be brought to church this coming week for sale. Mrs. Wanda Weiss is chairman. For further information regarding the bazaar call her at EL 6-7151.

## Hospital Patients

Keith Hannedl of Pine Crest Lane entered St. Therese Hospital last Wednesday. Various tests are being made on the little fellow.

Mrs. Ray Parpan entered St. Therese Hospital Sunday night and was operated on Monday morning.

Home From Hospital  
Mrs. Thor Neumann, 2123 East Fairfield Road returned home from St. Therese Hospital Sunday after a major operation last week.

Mrs. Martin Golden of Elmwood Drive came home from St. Therese Hospital last Friday after being there almost four weeks. She has to take it very easy or she will have to have another operation.

P.T.A. Meeting  
There will be a panel discussion regarding Juvenile Delinquency at the Lake Villa grade school Monday night Nov. 20, when the P.T.A. of the Hooper and Lake Villa Schools meet at 8 p.m. in the gymnasium. Panel members will be Lake

County Probate Judge Minard E. Hulse, Rev. Gerald Robinson of the Community Methodist Church, Roy Beers, sixth grade teacher at Hooper and Mrs. W. J. McCleod, former P.T.A. president and vice-president of the Lakeside Council of Girl Scouts. Sixth grade room mothers will serve refreshments.

## Teenagers Club

The newly formed Teenager Club will meet Sunday evening, Nov. 19, at the Lindenhurst Civic Center on Old Elm Road, at 8:30 and last until 10:30 p.m. All teenagers are invited to attend. More 18 and 19 year old boys are asked to join. Dancing, ping pong table set, and games are played.

Plans for a Christmas party will be made. Dudley Mertes and Bob Speigl are in charge, but they would appreciate some help. Shuttle service will be available when it's time to leave, for those who need it.

Vice will be available when it's time to leave, for those who need it.

## Masters and Matrons

Looking for a treasure chest is what the members of the Masters and Matrons of the Community Methodist Church in Lake Villa will be doing Saturday night when they meet in the Fellowship Hall at 8 p.m. Three clues will be given and two couples will go out together seeking the hidden treasure. There will be a first prize and a booby prize awarded. In case the weather is too bad to go scampering all over Lake Villa, something else is planned for inside the church. Mr. and Mrs. Bob Smith and Mr. and Mrs. Joe Botts will be the hosts and hostesses. Refreshments will be served after all couples return and sing for their supper. (A sing-a-long is on the program.)

### Georgianne Rezmer Married In Lake Villa to George Bradford

by Mrs. Bernice Bernau

Miss Georgianne Rezmer of Normandy Drive in West Millmore, became the bride of George Bradford of North Chicago October 22, at the Lake Villa Community Methodist Church, the Rev. Gerald Robinson officiating.

The bride is the daughter of Mr. and Mrs. George Rezmer. Maid of honor was Sue Peterson, formerly of Lake Villa, now of Arlington, Va. Junior bridesmaids were Linda Bailey and Barbara Loe. Best man was Dan Wolf of Gurnee and junior ushers were Martin and John Rezmer, brothers of the bride.

Her gown was of white nylon marquisette, and she carried a small cornucopia of red roses.

A reception for about 143 friends and relatives was held at the Lake Villa VFW hall.

They headed south for their honeymoon and ended up by staying at Hot Springs, Ark., for two weeks.

The young couple are now living in North Chicago, and Mr. Bradford is back at work at Abbott Laboratories while Mrs. Bradford resumes working at Grandwood Park Estates.

Mrs. Bradford's parents celebrated their 24th wedding anniversary on the 21st of October.

N. A. I., published in two volumes, is the story of the North-South Continental Highway. Volume I, called N. A. I. Looking North, describes the route in text and pictures from the U. S.-Canadian border to Circle, Alaska. Volume II, called N. A. I. Looking South, describes the route from the U. S.-Mexican border to Costa Rica. Even if your traveling is of the armchair variety, there is much of interest in the two volumes. N. A. I. was given to the library in memory of Joseph Parfitt. The baseball season is now just a memory, but the season for the Hot Stove League is just beginning. Baseball fans will find much information in "The National League Story," by Lee Allen, to settle that argument about Babe Ruth or Gabby Hartnett. "The National League Story" was presented in memory of Samuel B. Ries.

## DEATH NOTICES

### JOHN J. OLEJNICKI

John J. Olejnicki, 70 of Salem, Wis., died at his home Thursday morning, Nov. 9, after a two-month illness.

Born April 13, 1891 in Poland, Mr. Olejnicki came to America in 1909, moving to Salem twelve years ago. He worked as a valve tester for Crane Co. in Chicago for 14 years before retiring 5 years ago.

He was a member of Holy Name Church in Wilmet.

Mr. Olejnicki is survived by his wife, Mary; two sons, Edmund and William of Chicago; and one daughter, Mrs. Peter Tremonte of Salem and five grandchildren.

The funeral was held Saturday, Nov. 11, from Colonial Funeral Home, Antioch, to Holy Name Church. A 10 a.m. mass was said.

Interment was at the church cemetery. Rosary was said Friday evening at 8:15.

### CHARLES E. REED

Funeral services were held in Chicago Tuesday morning for Charles E. Reed, 66, of Groveland Park Subd., Antioch. Burial was in Edens Cemetery in Chicago. Friends in this area called at the Strang Funeral Home on Sunday.

Mr. Reed died Saturday, Nov. 11, at his home. He had been ill since 1953.

Born July 5, 1895, in Chicago, Mr. Reed resided there until moving to Antioch in 1947. He retired in 1953 as a truck driver for the Antioch Lumber & Coal Co.

Surviving are his widow, Anna; two brothers, Steven of Antioch and Roland of Round Lake; one sister, Edith Hancock of Elk Grove Village; and a sister-in-law, Mrs. Anna Reed, of Chicago.

### EVA BUSZTA

Mrs. Eva Buszta, 77, of Petite Lake, died suddenly at her home Tuesday morning, Nov. 14.

Born Dec. 24, 1883, in Poland, she came to America 52 years ago, coming to Antioch 12 years ago from Chicago. She was a member of St. Peter's Church.

Mrs. Buszta is survived by her husband, Adam, two sons, Stanley, of Antioch, and Joseph of Trevor, two daughters, Sister Mary Geronica S. N. of New Mexico and Helen (Mrs. Wallace) Graczyk of Petite Lake. Five grandchildren and two great-grandchildren also survive.

Funeral will be held this Friday, Nov. 17, from Colonial Funeral Home to St. Peter's Church. Mass is at 10 a.m. Interment will be at Ascension Cemetery. Rosary will be said tonight at 7:30 p.m.

## Inside Antioch High

By Mike Brooks

As the Thanksgiving Holiday approaches, the Student Council at ATHS is preparing the annual Thanksgiving program for the student body. The program features a speaker from one of the local churches and choral music. In the past the program has been very inspirational to the students.

The college representatives coming to the high school in the next few days are: Beloit College and Illinois State Normal University on November 13; Rockford College—November 14; Northern Illinois University—November 17; North Central College and Simpson College on November 20; and Comptometer Business School—November 22.

The General Aptitude Test Battery (GATB) will be offered on November 20, 21, and 22, to those seniors who are not planning to attend college. The Illinois Employment Service will sponsor the tests and then notify the seniors of the results.

The new librarian at ATHS this year is Miss Diane Busch. She was born in Sullivan, Missouri, and attended high school there. She has two brothers. The older one is a senior at the Missouri School of Mines and the younger is a freshman in high school. She attended Hannibal-LaGrange Junior College and William Jewell College, a small denominational college. Miss Busch attended summer school at the University of Missouri this past summer. She plans to attend summer school again this year, but is not certain where.

At the present time, the library contains around 6,000 volumes. The library in the new addition will seat about 110 students. It will have a conference room, a library classroom, a listening room, a workroom, and a storage room.

A little early, perhaps, but the cafeteria staff is beginning to make plans for the annual turkey dinner for the students during the lunch periods of the last day before Christmas vacation. This is the cooks' way to say "Merry Christmas" to the students and what a splendid way! The meal is always enjoyed by the hungry students.

Last Friday and Saturday night, a very excellent performance of "Arsenic and Old Lace" was presented by the Junior Class of ATHS. A fine crowd on both nights was delighted with the play. Next Saturday evening, November 18, the ATHS Band will open its concert schedule in the Auditorium. The program will also include the Swing Choir, the Senior Choir, and the Dance Band. We hope that the public will support the concert as well as they did the play. See you there!

## Channel Lake News

By Mrs. Pearl Kapell

News of a former resident: Ann Meyer, former proprietor of Ray and Ann's store at Channel Lake, recently returned from a month's tour of Europe. While abroad she visited ten countries: Ireland, England, Belgium, Luxembourg, Germany, Switzerland, Austria, Italy, Monaco and France. Ann flew by jet both ways. It was the first time she had traveled abroad, and she found it so interesting and exciting that she's planning a Caribbean cruise next year.

Mrs. William Frey entertained the members of the Happy Nine Pin-ochle Club on Nov. 2. Many, Switzerland, Austria, Italy, Monaco and France. Ann flew by jet both ways. It was the first time she had traveled abroad, and she found it so interesting and exciting that she's planning a Caribbean cruise next year.

Mrs. Frank Hennig was hostess to the members of the Couples Club on Nov. 8. A delicious luncheon was served and the afternoon spent playing cards.

Mr. and Mrs. Lawrence Berglund of St. Paul, Minn., have announced the engagement and coming marriage of their daughter, Lorna, to Henry J. Kapell, son of Mr. and Mrs. Henry Kapell of Channel Lake. The wedding will take place on Nov. 25 in St. Paul.

## Officer Commissions Open for Young College Women

Captain Vivian M. Coffey, Women's Army Corps Selection Officer for the Chicago Area, has announced that the new WAC Officer Basic Course will begin on January 26, 1962.

Young women desiring a commission in the U. S. Army must have a degree from an accredited college or university and be between the ages of 20 and 31. Applications should be submitted prior to Nov. 30, 1961 in order to meet the next scheduled course.

The Officer Basic Course is conducted at the Women's Army Corps

Center, at Fort McClellan, Alabama. This course is designed to prepare young officers for careers in: Public Relations/Direction, Intelligence, Recreation, Management, Teaching, Graphic Arts.

Interested young women should contact M/Sgt. James E. Bridges, located at U. S. Army Recruiting Service, 325 Washington St., Waukegan, Ill., Phone: ON 2-5260.

The first Christmas Seals used to fight tuberculosis were issued in Denmark in 1904.

## Salem Club Has Its Card Party

Saturday evening, November 18, at 8 p.m. the Salem Central Community Club will hold its first card party of the year at the Central High School. All popular games will be played, prizes awarded, and lunch will be served.

The proceeds of the card party will be used to defray expenses of the school's science fair, to send students to Badger State, and to give cheerleaders and music students an opportunity to attend summer clinics in their particular fields.

Mrs. Arthur Magwitz, president of the Community Club urges all mem-

bers and their friends to attend the card party. All other persons interested are welcome.

**Blind Women's Club**  
On Wednesday, November 8, the Blind Women's Club visited the Salem Central High School. This school is especially honored to have this group visit it as they are an important civic group which contributes much to education. One of their projects is scholarships for students worthy of such. During the afternoon they presented a trav-

elogue of South America, using slides.

Frances M. Murphy

**Blind Students Plan Professional Careers**

Of the twenty blind graduate students granted scholarships by the American Foundation for the Blind in the past year, twelve plan to make college teaching their career, seven plan to engage in social work and one is preparing to become a lawyer.

# ADVANCED THRUST

... Moves power forward for arrow-straight going

FLATTENS THE FLOOR, BEEFS UP THE GO. And suddenly riding becomes funning in the Buick LeSabre. Good reason for these advances is Advanced Thrust. Which means the big Wildcat engine has moved forward (like the tip of an arrow) over the front wheels. What happens! You get more "git." Steering is smoother. Tracking is arrow-straight. Sway from the gustiest winds is minimal. And the front floor hump all but wiles away (lots of room for the middle man or lady at your side). Stunning interiors to back in, too. Clincher for seeing a Buick Dealer now? It's the lowest-priced full-size Buick. Come meet the LeSabre.

# Babcox Warns Ill. Hunters Against Careless Shooting

Bad habits produce dead hunters. County Coroner Robert H. Babcox said recently in a safety appeal to hunters on the eve of the opening of the pheasant hunting season in Lake County.

"Carelessness and ignorance are the primary factors in most hunting accidents," Babcox asserted, "and these field fatalities can be avoided with the use of a little common sense and good judgment."

An ardent sportsman himself, Babcox has investigated more than a score of hunting deaths during the nine years he has served as coroner in Lake County and in every case the inquiry showed the accident was due to carelessness or poor judgment.

"The rash of deaths which occur each year during the hunting season is usually followed by demands for stricter hunting laws or the elimination of hunting altogether," Babcox pointed out, "and as a hunter myself I would hate to see this happen."

Most hunters are familiar with the basic safety rules, but for the information of those venturing after pheasant or other upland birds for the first time, Babcox offers these simple safety suggestions: 1. Handle every gun as though it were loaded.

2. Never carry a loaded gun in your car.

3. Never try to climb through or over a fence with a loaded gun.

4. Never prop a loaded gun against a tree, fence post, or stump.

5. Never point your gun at anything you don't intend to shoot.

6. Keep the muzzle of your gun high to avoid fouling the barrel.

7. Keep the safety ON until you are ready to fire.

8. Don't fire until you are sure of your target and you are sure that the target area is clear.

"A cup of cheer is an important part of hunting, but wait until the guns have been put away before partaking," Babcox added, "because alcohol and gunpowder don't mix any better than alcohol and gasoline."

As an added precaution Babcox suggested picking hunting companions who are familiar with firearms and can be depended upon to use good judgment in the field.

## Antioch's Basketball Team Prepares to Meet Mundelein

Larry Leon, Head Basketball Coach for Antioch Township High School, estimated that a very good season should be in store for Antioch's squad. Among the 14 boys chosen to represent Antioch on the basketball court, five are seniors and returning lettermen who all started last year.

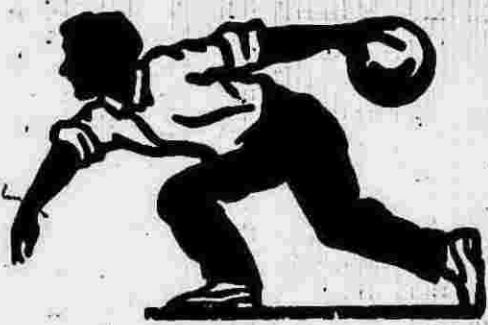

The seniors are Bob Krieger, 6'3, Bill Ozga, 6'3, Denny Pogose, 6'6, Joe Pleviak, 5'10, and Bud Dittman, 5'11. The 9 juniors who will be playing this year are Jim Brownlee, 5'2, Jim Wetterberg, 5'7, Al Gruidl, 5'7, Paul Erickson, 5'8, Bob Kubicki, 5'11, John Hallwas, 6'3, Don Blackman, 5'11, Ken Walker, 9'9, and Doug Lang, 6'3.

Leon stated that the probable starting lineup for Antioch would be Brownlee, Gruidl, Kubicki, Hallwas and Lang.

About the forthcoming Mundelein game, Leon stated that this should be "a pretty even match as far as both ball clubs are concerned." He went on to say that Mundelein, a comparatively new school with transfer boys from Libertyville, would have a good ball club.

Naturally enough, Leon hopes to duplicate his 1960 all-conference winning-year this season.

The Mundelein game will be played there, Nov. 22, at 7 p.m. This first game of the season is listed as a non-conference game.
